I certify that I have been informed that, as part of my registration, the association ENEM - Exchange Nantes Students of the World - is brought to collect, use and process various personal data concerning me.

The information collected by ENEM is recorded in computerized files kept by the association in connection with its purposes including the payment of the annual fee, the sending of information concerning the operation of the association ... They are kept during the duration of my registration with ENEM. They are intended according to their use to the members of the board of directors or the ENEM office

I can exercise a right of access, modification and erasure to the data concerning me and have them rectified by contacting the President ENEM or by email at asso.enem@gmail.com with the mention "Exercise of my rights / RGPD" .
